Forecast for Tuesday 13 Oct 2020

Weather: A band of showery rain will mostly clear southwards through the first part of the morning. There will be a few isolated showers in the region through the rest of the day but on the whole it will be mostly dry with sunny spells. Blustery northeasterly winds throughout the day.

Chance of cloud free mountain/hill tops above 800m: Low to start but then mostly high during the rest of the day outside of showers.

Visibility: Moderate or poor at first but becoming mostly good.
